

Annual Maintenance Contract

**Better Water,
Better Air,
Better Health.**

WELL PUMP CONTRACT: \$195.00/YR.

Includes electrically testing pump and pressure testing well tank. Labor for minor service and repairs. Well sanitizing as necessary. Written report. The contract does not include replacing a pump, tank, or excavation. One pump system per household. Contract includes initial comprehensive service plus two additional service calls as required.

WATER TREATMENT CONTRACT: \$195.00/YR.

Includes water test (pH, iron, hardness, manganese, chlorine and TDS), annual service to treatment system, delivery of supplies, changing filters and a written report. This contract does not cover installing a new system or rebedding an existing system. Contract includes initial comprehensive service plus two additional service calls as required.

COMBINATION CONTRACT: \$325.00/YR.

This is by far our most popular contract and includes elements of both contracts. Contract includes initial comprehensive service plus three additional service calls as required. A free radon in air test is included.

All maintenance contracts include labor only. Any materials are at the homeowner's expense. Contract service must be scheduled by the homeowner and is available Monday- Friday 7:30 - 4:00. Work performed on weekends and holidays is not covered by the maintenance contract. We cannot service Culligan and Ecowater Systems.

Maintenance contracts run from October 1st 2018 thru September 30th 2019 and must be paid in full prior to being used. The deadline for payment is 10/31/2018 after which time the contracts will be unavailable until next September.

Complete contract details including cities and towns can be found at our site www.waterflo.com
