

Better Water, Better Air, Better Health.

To Our Customers:

We have had an incredible start to the year and are excited for what the 2nd half will bring!

We haven't done any newsletters since January so we could update our website and address some technical issues that would have landed this email in spam. You can see our new website here: WaterFlo.com

You can read about our other news below and our normal newsletter format will be back next month!

Best regards - The Water-Flo Team

Water-Flo Gives Back

Water-Flo is working to give back to our communities and organizations that are important to us. For the month of February, March, April and May the charitable organizations we supported were:

- **CT Brain Tumor Alliance**
- **SARAH Foundation**
- **Coast Guard Foundation**
- **Valley Shore YMCA**
- **CT Coalition to End Homelessness**
- **Cystic Fibrosis Foundation- CT Chapter**
- **Special Olympics CT**
- **Lyme Land Trust**

As part of National Small Business Week, Scott and Brigid were awarded the Young Entrepreneurs of the Year by the Connecticut division of the Small Business Administration and Connecticut Business and Industry Association (CBIA). They received the award during the National Small Business Week SBA Awards & Resource Expo in Cromwell on May 2nd. “Small businesses are the backbone of our economy, and we believe in recognizing and celebrating their outstanding contributions,” SBA Connecticut district director Catherine Marx said. “This is an opportunity to shine a spotlight on the incredible work being done by small business owners and entrepreneurs who have dedicated themselves to success and community growth.” The SBA’s Young Entrepreneur of the Year award recognizes individuals who have demonstrated strong entrepreneurial and business skills by owning and operating a small business for at least three years before turning 30. The criteria also include:

- Demonstrating leadership in the field
- Demonstrating the importance of entrepreneurship as a way to effect positive change
- Having achieved tangible and material entrepreneurial success

Small businesses account for 48% of all workers in Connecticut and that number is only continuing to grow. Water-Flo is proud to be an important part of the small business community!

Welcome to the team!

Water-Flo recently had branding pictures done and also welcomed Jamilynn Giuliano, office administrator, and Matt Daniels, pre-apprentice, to the team.

Jamilynn is a Connecticut native from a large family and has 2 children of her own, who keep her very busy! She joined Water-Flo in March of this year as an office administrator, so customers are likely to speak with Jamilynn when calling. On her bucket list is a visit to Bora Bora and her mantra is, "Believe you can and you're halfway there." Water-Flo is thrilled to have added her to our team!

Matt is from Deep River where he is active in the Deep River Volunteer Fire Department. He is a Lieutenant, with firefighting, EMT, and Hazmat training! When he is not doing volunteer work he enjoys boating and the outdoors. Matt joined us as a pre-apprentice (soon to be Apprentice) in April. His mantra is "Enjoy life to the fullest". We are excited to add Matt to the technical team and have him training with Water-Flo!
